

ICCP 8

The 8th International Conference
on
Computational Physics

香港

7-11 January, 2013

Hong Kong

Plenary Speakers:

Kazuo Aoki, Kyoto University, Japan

Stefano Atzeni, Universita di Roma 'La Sapienza' and INFM, Italy

Gang Bao, Zhejiang University, China and Michigan State University, USA

Yuan Ping Feng, National University of Singapore, Singapore

Leonardo Golubovic, West Virginia University, USA

Klaus Hermann, Fritz Haber Institute of the Max Planck Society, Germany

Dieter H. H. Hoffmann, Technical University Darmstadt, Germany

Masahiro Hoshino, University of Tokyo, Japan

Hua Li, Institute of Applied Physics and Computational Mathematics, China

Michel A. Van Hove, Hong Kong Baptist University, Hong Kong

Xueqiao Xu, Lawrence Livermore National Laboratory, USA

Organizers:

Hong Kong Baptist University

Institute of Applied Physics and Computational Mathematics, Beijing

Sponsors:

Croucher Foundation
裘槎基金會

香港浸會大學
HONG KONG BAPTIST UNIVERSITY

北京應用物理與計算數學研究所
Institute of Applied Physics and
Computational Mathematics, Beijing

Institute of Computational and
Theoretical Studies, HKBU
