

Joint China and Russia Conference on Computational Mathematics

1-3 November 2010

Hong Kong Baptist University

Speakers from China:

Chuanmiao Chen

Hunan Normal University

Song Jiang

*Beijing Institute of Applied Physics and
Computational Mathematics*

Wen Li

South China Normal University

Lin-Zhang Lu

Xiamen University

Mingkang Ni

East China Normal University

Zhong-ci Shi

Institute of Computational Mathematics

Huazhong Tang

Peking University

Xuejun Xu

Institute of Computational Mathematics

Pingwen Zhang

Peking University

Speakers from Russia:

Gennady Bocharov

Institute of Numerical Mathematics

Andrey Krylov

Moscow State University

Vasily Lykosov

Institute of Numerical Mathematics

Karl Sabelfeld

*Institute of Mathematical Modelling and
Geophysics*

Vladimir Shaydurov

Krasnoyarsk Research Center

Mikhail Tolstykh

Institute of Numerical Mathematics

Eugene Tyrtysnikov

Institute of Numerical Mathematics

Yuri Vassilevski

Institute of Numerical Mathematics

Speakers from Hong Kong:

Hermann Brunner

Hong Kong Baptist University

Raymond Chan

Chinese University of Hong Kong

Wai Sun Don

Hong Kong Baptist University

Michael Ng

Hong Kong Baptist University

Liqun Qi

Hong Kong Polytechnic University

Tao Tang

Hong Kong Baptist University

Kun Xu

*Hong Kong University of Science and
Technology*

Sponsors:

Institute for Computational Mathematics, HKBU

Hong Kong Baptist University

Hong Kong Pei Hua Education Foundation

Organizers:

Michael Ng (Institute for Computational Mathematics, Hong Kong Baptist University)

Zhong-ci Shi (Institute of Computational Mathematics, China)

Eugene Tyrtysnikov (Institute of Numerical Mathematics, Russia)
