

NSS Workshop on Mathematics Education

The NSS Workshop on Mathematics Education (Series 1: Teaching materials and support) jointly organized by The Hong Kong Mathematical Society, Department of Mathematics, HKBU and HKBU Alumni Association of Department of Mathematics was successfully held on 24th August 2009 at Jockey Club Academic Community Centre, HKBU. The objective of this workshop

aimed to provide a platform for speakers and participants to discuss the teaching materials and support for NSS mathematics curriculum. About 150 mathematics teachers from different secondary schools, book suppliers, officers of Educational Bureau, and HKBU students attended the workshop.

insights to the teaching materials and support of the NSS Mathematics curriculum in different aspects.

The workshop was divided into two sessions. In session one, we were honored to have Mr. Lee Pak Leung, Chief Curriculum Development Officer (Mathematics) of Hong Kong and Ms. Yuen Yuk Ying, Principal (Acting) of CCC Hoh Fok Tong College who has been awarded Chief Executives Award for Teaching Excellence 2005-2006 to be our guest speakers. They provided

During the sharing session, it was our pleasure to invite Dr. Tang Kwok Chun, Principal Lecturer of Department of Education Studies to be our guest host. Participants and guest speakers were attentive in the discussion of the topic. The online platform was also introduced at the end of the workshop.

Finally, we would like to thank all participants for attending the workshop. We would continue organizing meaningful workshops in the future.
